- If families miss a payment, they must contact the HCA Administrator to submit a payment within the first 10 days of the month. If two months of payments are missed the child's registration will be cancelled
- Dishonoured cheques will incur a fee of \$40.00 per incident. If two dishonoured cheques are received we will require cash payments for the remaining program fees.
- Family accounts must be in good standing in order for future registrations to proceed. If a family is in arrears at September start, the child will not attend class and registration will be cancelled.
- HCA Administration will send reminder emails for late payments

## **Financial Assistance**

If you are unable to pay all or a portion of the program fees due to adverse financial circumstances, please speak with our program teachers to discuss potential support options that might be available to your family. Government subsidy information can be found at:
