How to Report Crime

Reporting crimes committed against you or someone else is an important part in helping to keep yourself, your loved ones and your community safe. If you have information about a crime that has been or may be committed or about someone involved in committing a crime, your information may help the police solve crimes and prevent future crimes from happening.

You can report a crime in person, over the telephone and online. Depending on the urgency, choose the method that best suits your situation and makes you feel most comfortable.
